Messer Makes Doing Business Easier

We understand how important it is to have your cylinder deposit credits processed and applied to your account as quickly as possible. That's why we've streamlined the return process to make it simple, efficient, and hassle-free.

Getting your deposit credit is easy:

1. Contact Messer Customer Service to request a Return Material Authorization (RMA).
2. Arrange transportation to have the cylinders picked up from your location.
3. We'll take care of the rest. Once the cylinders arrive, they are promptly received, scanned, and processed. The applicable deposit credit is then accurately applied to your account.

Our goal is to make every step of the process as seamless and convenient as possible, so you can stay focused on your business while we handle the details.

Make the smart choice for your business – choose efficiency, sustainability, and reliability.

Connect with our team today to discuss your refrigerant requirements and discover how Messer can revolutionize your refrigerant supply with reliable, nationwide solutions tailored to your business.
